## IMPORTANT INSTRUCTION – IDENTIFICATION VERIFICATION TO ALL INSTATE OR OUT-STATE STUDENTS

After you have completed all your chapter exams, you may take your final exam. Your court requires that your final exam be verified to ensure your identity. Please follow one of the following procedures to complete your final exam to comply with your court's requirement.

Our school offers you two approaches:

### **1. Via Notary Public**

Download a copy of your final exam and bring your final exam to a notary public. You must take the final exam in the presence of the notary. The notary public will attach a notary paper certify your identification is verified. You need to pay the notary public for this service; the fee is usually around \$10.

Return the final exam and the notary paper to our school for grading.

### **2. Via Experian Credit Service**

We also offer you the Identity verification through the Experian Credit Bureau Service. In this scheme, you do not need to go to a Notary Public to proctor your exam. You will be redirected to the Exprian Credit Service to answer some of your personal questions. Experian will explain to you that your credit check will not count as a "ding" against your credit history, nor will any of your confidential information be disclosed to anyone associated with the traffic school.

Upon passing the Experian Identify Verification you will then be redirected to our School's exam site to take the final exam. The fee to administer the identitiy verification via Experian Credit Bureau is \$10.00.

Note: Once you passed the Identity test, you must take the final exam immediately without delay or signing off the program. Failure to do so will void your identity test and you must have your identity verified again and pay the \$10.00

Should you fail the Experian Identity check you will not be given the opportunity again, you may then use the Notary Public option. The Experian Identify check fee is non refundable.

If you do not wish to utilize the Experian Credit Service or do not have enough credit history then simply select the Notary Public option link from your course page.

Our online exam is 25 multiple choice questions. You need to score minimum 80% to receive credit for the course.

Upon passing your final exam, a certificate of completion together with a duplicate copy will be mailed to you. You must return the signed copy of certificate of completion to your court. If you failed the final exam you will be notified by school and you may retake the exam for a \$20 fee. You may retake for unlimited time.
