Your Department of Insurance has approved ExamFX as a prelicensing correspondence course. By completing this course as directed, you will satisfy your full prelicensing requirement. To obtain your certificate of completion, please complete the following steps:

- Purchase FAIFA's Life, Health, & Variable Annuity Study Manual from [www.faifa.org](http://www.faifa.org) (850-422-1701). The Florida Department of Financial Services requires all students to read this book. It contains essential information that you will need to pass the exam. Our materials are based on the 23rd edition. By continuing past this page, you attest that you have obtained the most recent edition of the manual.
- Return to this online course and study the material for each chapter. You must complete a quiz for each chapter with a score of at least 70%.
- After you have finished studying, Simulate Your Exam. You must score at least 70% on an exam simulation.
- Immediately after passing the exam simulation, log back in and request a certificate. You will need to sign an affidavit attesting that you completed the course as directed. You will not get credit for completing the course until you do this. If you do not complete this step within 16 days of passing the exam, then you will need to take the exam again.
- Print your certificate of completion from this website.
