

Explore eLicense School

Since 1991

eLicense School is backed by the Dynasty Institute, providing quality distance education courses for over 15 years. eLicense School has provided quality distance education online since 2000.

Our Mission

It is our goal to offer a variety of superior, educational resources, at low cost to students who are unable to attend classes, either due to work schedule or availability of local class. To effectively serve these students, we have incorporated online learning courses ensuring effective completion of coursework. Dynasty School (eLicense School) is committed to enhancing student's educational experience by offering the latest state of the art learning tools and environment.

Everything we offer is presented 100% online. There are no classes to attend, no predesignated times, no wardrobe, and no exams to mail back. We provide all the online tools you need to succeed.

Technologically advanced.

Completely supported.

Competitively priced.

Our software and content is constantly being upgraded with new features in our endless drive to perfect the customer experience.

We are proud to present the eLicense School Supercharger series of informational and interactive tools. The supercharger series is designed to be compact, no nonsense, and right to the point. These guides are designed to help you out during and after your education. This series is available to all past and present students. Any new tools added after enrollment will also be made available to past and present students.
